In this court: A motion for succession order.

File No. 367/98

Re: The rest of the inheritance which was not mentioned in the will dated 23/8/1983 of the legator the late Marzook Said Moady, from Yarka village who was the bearer of identity card No. 2095426-9 who passed away on 27/06/1992.

Applicant: his widow: Naseba As'aad Moady- from Yarka village.

Decision

After looking into the request and its supplements it was clarified that the late Marzook Said Moady from Yarka Village who beared identity card No. 2095426-9 and who died on 27/6/1992 had left a will dated 23/8/1983 and this court legilized the will on 31/3/1996, inheritance file no. 63/96. The will does not include all his legacy.

Accordingly the court decided to devide the part of the legacy that is not included in the will according to law.

As all heirs of the late mentioned above, his sons and daughters and they are:

Moyaser, Said, Walid, Farid, Magid, Wahid and Botayna had declared their intention to waive their shares in the legacy that is not mentioned in the will to the benefit of their mother the widow of the above testator: Naseba As'aad Moady. The court decided to accept these withdrawals and thus the rest of the legacy that is not mentioned in the will of the above testator will go solely to the heiress, his widow Naseba Asa'ad Moady, bearer of identity card no. 2095427.

This decicion must be unseperated part of the former decision no. 63/96 issued by this court on 31/3/1996.

Issued on This day of 10/1/1999.

In the name of the merciful God and to God that he bestowed on my parents that I be their son. Thanks to God who helped them to raise me, and I hope he gives my survivors the faith and patience after my death, as everyone has to die sometime. Praise to God on whom I relied and depended and to whom I pass the authority.

I am in full health and clear mind fully aware of what I am writing. I decided to write my will with my hand as my predecessors did and according to the religious customs and as the soul does not know when it is going to decease, the beleiver must not sleep without his will being under his pillow. To my wife Naseba Asa'ad Abdullah Moady Bearer of Identity card No. 2095427, to my daughter Moyaser Marzook Moady bearer of identity card no. 2095428 and to my daughter Botayna bearer of identity card no. 5679499 I give the lower story of the house known as Moady to live in as long as they live and as long as they are in need to live in it. After their death the lower story of the house returns to my sons and they are: Said bearer of identity card no. 2095429, Walid bearer of 2111265, Farid bearer of identity card no. 5242533, Magid bearer of identity card no. 5379825 and Wahid bearer of identity card no. 5517207.

As to the house on the upper story, 4 rooms, a living room and a kichen it has to be estimated and the sum to be devided between the above mentioned five sons. If one of the sons desires to possess the house for himself he has to pay his brothers their shares. As to the yard on the west side of the house it belongs to my cousin and my daughters.

I request and demand that no funeral oration whatsoever should be delivered and I should be carried to my grave without a coffin according to the older customs I prohibit and I will be angry with my children if they let any person whoever to make a speech or funeral oration. Prayers on my soul should be done in the graveyard and not in the public yard, anyone that defies this testimony the mighty God will revenge from him. I bequeath 75.000 Israeli Liras to be divided equally between the libraries of the 3 schools of Yarka. Thanks to eternal God and I beg God for his forgiveness and to enable my sons to do what is right and good.
Written on 23/8/1983.
